

## **ASSISTANT GOLF SUPERINTENDENT**

The North Battleford Golf and Country Club is now accepting applications for the Assistant Superintendent position. North Battleford is located in north central Saskatchewan one hour west of Saskatoon. The Battlefords is a growing community of 20,000 people which offers affordable living, excellent amenities and abundant recreational opportunities.

The golf course completed the installation of automated Toro (Lynx) irrigation system in 2010 and recently completed a long range masterplan designed by Gary Browning Design.

The successful applicant will be highly motivated, goal oriented and dedicated to achieving success in turfgrass management. As the Assistant you will report directly to the Superintendent and will play a key role in our turf management team. The successful applicant will possess the following:

- a minimum of four years turf maintenance experience
- good supervisory, training and coaching skills
- good verbal and written communication skills
- a familiarity with automated irrigation
- a familiarity with fertilizers and pesticides as well as calibration
- a strong understanding of cultural practices and their effect on the game of golf
- a pesticide applicators certificate or ability to obtain one
- a desire to learn and lead

This is a nine month position (mar.1st-nov.30th) with potential to become year round.

Please submit resume to:

Grant Sawchyn AGS  
Golf Superintendent  
North Battleford Golf and Country Club  
Box 372, North Battleford, Sk.  
S9A 2Y3  
or
