“Drive for Kids Campaign 2017”

Saskatoon Sask, April 27th, 2017 - Synergy 8 has been informed by David Duval that he is no longer able to attend the 2017 Drive for Cancer Campaign event. We are extremely excited to announce that World Golf Hall of Fame member **Colin Montgomerie** has agreed to step in and headline the 2017 Drive for Cancer Campaign event. “Monty” has been a long-time supporter of cancer fighting initiatives, establishing The Elizabeth Montgomerie Foundation, in memory of his mother who died of lung cancer in 1991. Synergy 8 Community Builders alongside the Saskatchewan Cancer Agency are appreciative of Monty’s willingness to support this year’s campaign.
